Non-studying activities and travelling in Graz, Austria.

Ekaterina Korotina

Graz is the capital of Styria and the second-largest city in Austria after Vienna.

It's a student city, where is comfortable to live.

In Christmas time everything looks like a fairy tale. There are a lot of markets around Graz, where you can feel the atmosphere.

Places:

1. Burgruine Gösting
2. Bergheuriger Fürstenstand

Hiking in Bärenschützklamm

It's easy and cheap
to get there from Graz
with Flixbus.

TIP: If you want to visit
Thermal Bath, I recommend
Rudas Bath, less people
and very good conditions.

Flixbus or train: ~20€

In Christmas time you can visit different magical markets.

Or go ice skating near Rathaus.

Don't forget to visit Ballet in Vienna State Opera. It's possible to get normal tickets for about 20€. But be careful, not from all these places you can clearly see a performance.

Amsterdam

Highly recommend to visit small village near Amsterdam – Zaanse Schans, with it's windmills.

From Vienna is easy to find cheap flight to any destination, Our choice was Amsterdam.
