Culture in Vienna

You can find events here:

<https://www.wien.info/en>

Free entrance in all museums at first Sunday of each month.

Advice: if you like art (modern and classical) it is better to buy semester ticket in Albertina

Austrian cuisine

- In general pretty close to German cuisine: sausages, potato salad and beer
- Wiener Schnitzel
- Apfelstrudel

Cafes and restaurants are expensive in Vienna, so you have to cook for yourself
