

A photograph of the main building of Tomsk Polytechnic University. The building is a large, multi-story structure with a light-colored facade, featuring numerous windows and arched entrances. It is surrounded by green trees. In the foreground, there is a street with a crosswalk, several parked cars, and a group of people gathered near the entrance. The text "Students and cultural life in Tomsk Polytechnic University" is overlaid in orange on the upper part of the image.

Students and cultural life in Tomsk Polytechnic University

THE TRADE-UNION ORGANIZATION

- ✗ The Trade-union organization of students is one of the oldest student's organizations in system of self-government of our university.
- ✗ Today the organization includes more than 10000 students of different age and interests.
- ✗ Participants of trade-union organization take part in discussion of the questions, which concern students, defend the rights of students and also help to decide problems on the basis of the agreement between administration of university and trade-union of students.

STAROSTAT TPU

- ✗ Starostat is the self-government organization of TPU created on the basis of volunteers of students.
- ✗ The purpose is revealing and development of potential of students and post-graduate students of TPU.
