

Coventry University Summer Schools 2015/16

Centre for Global Engagement
Coventry University

Summer Schools

Coventry University offers a wide range of engaging and exciting Summer Schools delivered at our main campus in Coventry and at our London Campus located in the City of London, a global business and financial centre.

Reasons to enrol on a Coventry University Summer School

- Experience life at the Top Modern University of The Year
- An exciting opportunity to travel abroad and appreciate the British history, culture and hospitality
- Gain an understanding of how organisations and industries operate in the UK through the industry visits
- Improve your English language skills while having fun
- Make new friends from all around the world
- Get a taste of a new subject or expand your existing knowledge on the course of your choice
- Develop your personal skills while enjoying your summer

Who can attend a Summer School?

- Individuals must be aged 16+ and have completed at least year 1 of college
- Current University students should be studying on an existing course related to the summer school programme
- International and UK students may apply
- IELTS score of 6.0 (Minimum of 5.5 in each component)
- Students will need to comply with visa requirements where necessary
