**INTERNATIONAL SCIENTIFIC SCHOOL FOR YOUNG RESEARCHERS
“STRATEGY DESIGN OF YOUTH SCIENCE AND INNOVATION ENVIRONMENT
AS FUNDAMENTALS FOR MODERN ENGINEER TRAINING”**

02-04 APRIL, 2014

TOMSK, RUSSIAN FEDERATION

CALL FOR PAPERS

Undergraduate and Graduate Full time students are welcomed to participate in the III-d international school for young researchers

**“STRATEGY DESIGN OF YOUTH SCIENCE AND INNOVATION ENVIRONMENT
FOR MODERN ENGINEER TRAINING”**

02 - 04 April, 2014

*CONTEST OF STUDENTS' RESEARCH PAPERS IN ENGLISH IS BEING HELD IN THE FRAMEWORK
OF THE INTERNATIONAL SCHOOL*

WORKSHOPS AND RESEARCH FIELDS OF THE SCHOOL

1. Energy-efficient Technologies as Promotional Tool to Increase the Country Economic Strength.
2. Integrity of Traditions and Innovations as the Basis for the Development of Modern Engineering Science.
3. Innovative Trends for Modernizing Engineering in the Age of Globalization.

Oral and virtual presentations via Skype are welcomed.

Conference language is English

All accepted authors may have their full papers added to the database of the *Russian List of Journals Indexed* and posted on the websites of eLIBRARY and <http://mps.tpu.ru>. All presenters are awarded with certificates. The best authors are to be awarded with diplomas.

The electronic versions of Submission forms and research papers in the format of MS Office Word 2003 should be submitted by the deadline of **March 27, 2014** to the e-mail address derygina@tpu.ru.

The Submission forms and the requirements for research papers can be found on the website <http://mps.tpu.ru>. All the submissions and research papers which do not meet the formal, topic, content and copy right requirements are subduced to rejection.

INTERNATIONAL SCHOOL FORMAT

- ✓ The submissions and research papers which meet the international school requirements are submitted in English to be peer-reviewed by Contest Committee of each research field
- ✓ If your application is accepted, you are encouraged to participate in international school events. You are welcomed to take part in round tables on a research field of your choice, to attend lectures of leading foreign and Russian scientists as well as make your oral or virtual presentation.

THE DEADLINE FOR RESEARCH PAPERS SUBMISSIONS IS MARCH 27, 2014

CONTACT PERSONS

PROJECT DIRECTOR: Vera Viktorovna Verhoturova, verhoturova@tpu.ru, tel.: +7(3822)70-56-76

WORKSHOP 1. Natalia Viktorovna Daneikina, mischenko@tpu.ru, tel.: +7(3822) 70-56-76

WORKSHOP 2. Julia Nikolaevna Shitz, shitzjulia@mail.ru (3822)70-56-76, 8-961-892-97-86

WORKSHOP 3. Yulia Valerievna Falkovich, fyuv@tpu.ru, тел.:+ 7 (3822) 701-802

PROGRAMME COMMITTEE

Dmitry G. Demyanyuk	PhD, associate professor, deputy director, Institute of Physics and Technology, TPU	Vera V. Verkhoturova	Chair, PhD, associate professor, Head of the Department of Foreign Languages, TPU
Yulia V. Falkovich	PhD, associate professor, Department of Foreign Languages, Institute of Physics and Technology, TPU	Fedor A. Gubarev	PhD, associate professor, Head of the Division of Postgraduate Studies, TPU
Dirk Vervacke	Technical Writer, Electrabel GDF Suez, Belgium	Yulia V. Falkovich	PhD, associate professor, Department of Foreign Languages, Institute of Physics and Technology, TPU
Aleksandr R. Vagner	PhD, associate professor, Head of Science Office, TPU	Natalia V. Daneikina	Senior language teacher, Department of Foreign Languages, Institute of Physics and Technology, TPU
Dmitriy S. Isachenko	PhD, associate professor, Head of Education Office, TPU	Katrina V. Karpacheva	Department of Foreign Languages, Institute of Physics and Technology, TPU
Aleksey S. Gogolev	PhD, senior teacher, Department of Applied Physics, TPU	Olga I. Shaikina	Teacher, Department of Foreign Languages, Institute of Physics and Technology, TPU
Natalia V. Daneikina	Senior language teacher, Department of Foreign Languages, Institute of Physics and Technology, TPU	Anna A. Deryugina	Department of Foreign Languages, Institute of Physics and Technology, TPU
Julia N. Shitz	Senior language teacher, Department of Foreign Languages, Institute of Physics and Technology, TPU	Julia N. Shitz	Senior language teacher, Department of Foreign Languages, Institute of Physics and Technology, TPU
Irina O. Simkova	Phd, associate professor, Head of the Department of Foreign Languages №3, National Technical University Of Ukraine		
Natalia M. Dukhanina	Phd, associate professor, Department of Foreign Languages №3, National Technical University Of Ukraine		
Irina G. Kozubskaya	Language teacher, Department of Foreign Languages №3, National Technical University Of Ukraine		

ACCOMMODATION FOR NON-TOMSK RESIDENTS

Accommodation for non-Tomsk residents is to be reserved if mentioned in the application. The accommodation (hotels and TPU hostels) is subduced to extra payment.

INTERNATIONAL SCHOOL DEADLINES

February 3, 2014 г. application forms and research papers submission start (submission is through an e-mail of your workshop head)

March 27, 2014 г. application forms and research papers submission deadline

March 27, 2014 г. non- Tomsk residents confirmation of their participation, accommodation reservation.
