**2nd Scientific and Methodological Seminar**  
**“Professional Training of Students of a Technical University in a Foreign Language:  
Developing the Pedagogical and Language Skills of Teaching Staff”»**  
**Russia, Tomsk, 19-21 November 2015**

**Chris Sinclair**  
Director for  
Internationalization.  
Faculty of Humanities  
University of  
Southampton,  
Southampton, UK

I have taught English as a foreign language in Finland, Italy and the Middle East as well as in the UK. During the 1990s I worked on a variety of EAP programmes at the University of Hertfordshire and more recently spent a number of years at Cambridge Exams where I worked on the Business English Certificates and the Oxford EFL Exam.

**Kate Borthwick**  
Senior Academic  
Coordinator for E-  
learning,  
Modern Languages,  
Faculty of Humanities  
University of  
Southampton,  
Southampton, UK

Kate is a linguist who spent ten years teaching English to international students across the globe and in universities around the UK, before training in the effective use of technology in language teaching. She is an experienced developer of online learning materials and an e-tutor and currently coordinates LLAS activity in relation to elearning, initiating and managing projects, devising and delivering training, and organising and running events.

**Mary Page**  
Senior Language  
Teaching Fellow,  
Modern Languages,  
Faculty of Humanities  
University of  
Southampton,  
Southampton, UK

Mary joined the University of Southampton in 2002 after a long career teaching English as a Foreign Language, specialising in Teacher Training, English for Academic Purposes and English for Specific Purposes. Mary was a Cambridge Suite examiner for many years, and also Administrator of the University of Southampton IELTS Test Centre. Mary is a founder member of the Centre for Global Englishes (CGE). Her research interests lie within the field of English as a Lingua Franca (ELF) and English Medium Instruction (EMI) in Higher Education.

**Larisa Smyshlyeva**  
Doctor of Education,  
Associate Professor,  
Head of Department of  
Social Pedagogy,  
Tomsk State  
Pedagogical University,  
Tomsk, Russia

Larisa Smyshlyeva has been conducting research in the field of effective approaches to teaching adults, lifelong learning for more than 10 years. Scientific field of Dr Smyshlyeva professional interests is the theory and techniques of professional education. The main research results are reflected in the author's scientific publications, educational and methodical works and the recent educational programmes in the field of andragogy and acmeology. Dr Smyshlyeva published series of works devoted to the questions of Russian

andragogic practice enrichment by application of technologies of competence-based education. Some of Dr Smyshlyeva works are approved by the Ministry of Education and Science of Russian Federation for implementation in universities throughout Russia..

**Ludmila Sivitskaya**  
Candidate of Pedagogic  
Sciences, Associate  
Professor at Department  
of Methods of Teaching  
Foreign Languages,  
National Research  
Tomsk Polytechnic  
University,  
Tomsk, Russia

Ludmila Sivitskaya developed the custom tailored courses "Psychological and Pedagogical Organization of Training Process at Universities", "Educational Technologies Portfolio for Technical University Teacher" for content teachers within professional development programmes of TPU and for other universities in Russia. She is also the author of tailor made courses and coaching programmes for organizations. Within TPU professional development programmes "Innovations in Engineering Education", "Modern Technologies in Higher Education" Dr Sivitskaya held series of seminars on educational technologies implementation into content teaching for research and educational staff of Tomsk and other Russian higher education institutions. Dr Sivitskaya developed psychological and pedagogical trainings for the Personnel reserve and School of Young Scientists of TPU. Some of Dr Sivitskaya works are approved by the Ministry of Education and Science of Russian Federation for implementation in universities throughout Russia.
