Report about results  
course “Writing scientific paper”

April 22  
2016

Publishing a research article in English is a tedious and time-consuming process

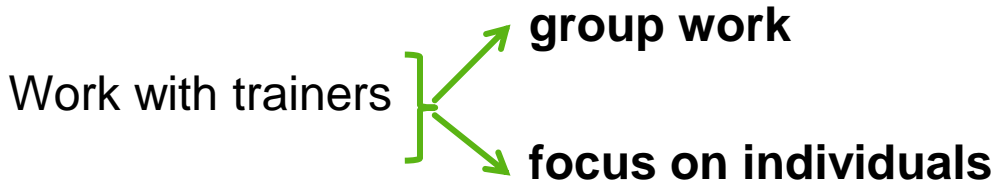

**PROBLEM**

**MOTIVATION**

**SOLUTION**

**RESULTS**

- Our own research material for publication;
- Very intensive but very well-organized;
- Native-speaker proofread completed texts.

expectations of the course - 5

important for me to understand

**Author, Not Writer**

**THANK  
FOR YOUR  
ATTENTION!**
